Dear Certified MBE,

Congratulations on your decision to continue your certification by the Houston Minority Supplier Development Council (HMSDC) for the coming year! Major corporations and prominent minority businesses recognize your HMSDC involvement as an important step in the continued development of your business.

HMSDC is anxious to do all that it can to help your company benefit. After all, the Council's success will be measured by how well we respond to your needs and by the success which your company enjoys.

You are encouraged to attend as many HMSDC events as possible. It is here that you develop new business leads and strengthen those you already have. Results show that the more a company participates in Council activities, the more their involvement pays off.

If you are looking for new opportunities to get involved (such as serving on a committee) please call me at 713-271-7805. HMSDC is your organization!

I am confident that by working together we can make a significant difference in the success of your business. Please do not hesitate to call anytime I or HMSDC may be of assistance to you.

Congratulations again, and best wishes for success in the coming year.

Sincerely,

Richard A. Huebner  
President
